2. You may modify our scripts to customize them based on your needs.

3. Users may **NOT**, however, redistribute or repost/ resell for download any DHTML script found on Dynamic Drive. Redistribution is defined as re-offering our scripts for download in any fashion, whether on a competing web site, an application that generates code snippets, or a CD-ROM collection of CSS/JavaScript codes etc. Some examples of what is acceptable and what is not are:

   - **Acceptable:**
     -Use our DHTML scripts on any personal or commercial web site to aid in its functionality/ usability.
     -As a web designer, use our DHTML scripts in your paid projects for your client web sites.
     -As a software developer, use our DHTML scripts within a application/ program as part of its interface, such as a CSS menu being used as the program's navigation interface. The program itself can be distributable.

     In all cases above, the credit notice within the script must remain intact and unaltered.

   - **Not Acceptable:**
     -Put our DHTML scripts on another script library or webmaster type site for others to download.
     -Use our DHTML scripts in any type of service or application whereby our codes are part of the product offerings themselves.
     -Put our DHTML scripts in any other types of medium for direct redistribution, such as a CD-ROM that consists of, but not limited to, webmaster codes and web graphics.

4. Users agree **not** to remove/ edit the credit notice within the DHTML source code, or claim the code to be work of their own. What is the copyright notice? It appears inside the <script> tag of each script, and looks something like this:

```
/********************************************
* Dynamic Countdown script- © Dynamic Drive
(http://www.dynamicdrive.com)
* This notice MUST stay intact for legal use
* Visit http://www.dynamicdrive.com/ for this script and 100s
more.
********************************************/
```

   Sometimes you may wish to move the DHTML script to an external .js file. In such instances, the credit notice must still be retained within the SCRIPT tags, in the page's visible source:

```
<script src="countdown.js" type="text/javascript">
/***********************************************
* Dynamic Countdown script- © Dynamic Drive
(http://www.dynamicdrive.com)
* This notice MUST stay intact for legal use
* Visit http://www.dynamicdrive.com/ for this script and 100s
more.
***********************************************/
</script>
```
